On September 13, 2010, the Governor's Commission on Supplier Diversity approved the department's effort to streamline its recertification process. Instead of conducting an onsite visit to each company seeking recertification, the department now has the discretion to waive the visit after a thorough review of the company's file and recertification documents. We have approved your recertification and it is valid through **January 31, 2027**. Please note that IDOA continues to reserve the right to conduct a site visit or phone interview at any time with certified companies.

Although your certification is valid for three years, you are required to submit an annual *Affidavit of Continued Eligibility (ACE)* form year. Instructions on how to receive and complete this form can be located at <https://www.in.gov/idoa/mwbe/minority-and-womens-business-enterprises/certify-your-business/>. Please remember that you must notify us immediately if any changes occur. Failure to notify us of changes or to provide an ACE form annually will result in the revocation of your certification. Changes include, but are not limited to, changes in location, contact information, ownership, and control.

We encourage you to visit IDOA's procurement website, www.in.gov/idoa/2464.htm, and update your Business Registration Profile. You must review and update your profile regularly, because state purchasing agents and prime contractors may use this information to contact you for business opportunities.

While this letter serves as notification of certification, it does not serve to prove continued eligibility. Please visit <https://www.in.gov/idoa/mwbe/2743.htm> to verify your certification status. Please contact our office at (317) 232-3061 or mwbe@idoa.in.gov if you have any other questions or concerns about your letter.

Sincerely,

Peter Sobun
